**WE QUEST TO BE THE BEST!**

## Our Security Solutions

With a continued increase in theft, home break-ins, vandalism of property, stalking and invasion of privacy, there is even more need for security services. Shield International Security & Investigation Agency offers short-term and long-term solutions to meet your need.

### SECURITY GUARDS & OFFICERS

Our Security Guards and Officers ensure the safety of your premises and personnel by patrolling, inspecting and preventing unsafe behavior and deeds.

- Loss Prevention
- Access Control
- Security Perimeter Patrol
- Reception/Concierge Service

"I tried several different detective services to help me locate my kids' father for child support. No one could find him, then I tried Shield International and they did what others couldn't. They found him and now I can get him to help me take care of our kids."

- Tina M.

### CONCIERGE SECURITY SERVICES

Whether you need one security officer at a single location or more, Shield International Security & Investigation Agency can meet your needs. We offer specialized services to fit the security situation. We are happy to meet with you and develop a comprehensive security plan.
